d. Planning Enforcement meeting held on 28th February 2019 was attended by the Chairman and the Clerk. The Chairman duly reported back that whilst the presentation by ERYCC covered a number of subjects, his opinion being that the Planning Enforcement team were very non-committal in their general approach, so much so that when he asked the question about planning applications for Beeford village exceeding the ERYCC local plan, they responded with what seemed to be a very standard stock answer in that ERYCC have been given targets by the government to which they must achieve.

5. **Correspondence/emails**

a. Parking in Beeford - the Chairman read out a response from David Uney Parking Operations Officer ERYCC. In relation to the parking problems within the village at school times especially in and around Glebe Gardens, the conclusion of the response being once again that due to budget constraints ERYCC do not have enough Parking Enforcement Officers to cover the whole of the East Riding but have indicated that they will investigate this particular matter by sending an officer down at some point in the future.
