

# **Beeford Parish Council**

With immediate effect the Beeford Parish Council will be suspending the Parish Council Meetings until June 2020 this includes the Parish Council AGM. We will during this time still be operational and contactable should you require any advice or assistance.

It may well be that we will have to review the above date depending upon advice or instructions that are issued by the Government / ERYCC, due to a number of our Parish Councillors self-isolating in line with recommendations the Parish Council will operate under delegated powers to the Clerk and the Chairman during this unprecedented time.

-----  
We are in the process of setting up a Village contact scheme which will be known as

## **yHELLOw**

If you can assist any of your neighbours who have self-isolated or are classed as vulnerable, then please pop one of the yHELLOw cards through their letter box and let them know. It would be helpful if you can please confirm your involvement by registering your details with the Parish Council Clerk who will keep a list on file of anyone volunteering their time in order to let us know where the help is coming from and maintain some continuation of the scheme. This scheme is in its infancy and will be updated as and when it becomes necessary to do so. If you are already volunteering your time, then it would be very much appreciated if you can register this with the Clerk.

The Parish Council will also be working alongside ERYCC who are currently actively co-ordinating their own scheme with the HEY Smile Foundation a charity that works closely with private, public and voluntary sectors. There are currently plans in operation to set up a Call Centre which will take calls and emails from vulnerable or at-risk residents who most need their help and those who cannot source help from family or friends. We will keep you updated when we receive further information.

Keith McCloud – Chairman to Beeford Parish Council
