

# **BEEFORD PARISH COUNCIL**

## **Policy for the Improvement of Community Engagement**

Beeford Parish Council is committed to improving community engagement through:

**Keeping residents informed** of Parish Council activity through regular written contributions, to the Beeford Buzz village magazine. All submitted articles to also include contact details for the Clerk and the link to the Parish Council website;

**The public displaying of information** in the Parish Council Notice Boards, where space permits, including:

- contact details for the Clerk
- contact details of all Councillors,
- the meeting schedule for the current year
- details of any Councillor vacancies
- public notices relevant to Beeford village issued by East Riding of Yorkshire Council
- the agenda for the upcoming Parish Council meeting in line with legal requirements, and
- any such other notices either legally required or deemed necessary by the Clerk.

**The undertaking of an annual review of the Parish Council website** to ensure and maintain the relevancy and accuracy of its content.

**The development and use of a Parish Council Facebook page** as a digital noticeboard, not only to publicise Parish Council activity and notices, but also to forward on digital information currently published by Ward Councillors and East Riding of Yorkshire Council and any other information deemed relevant by the Clerk.
